ERIE Logo Items and Branded Apparel

Logo items and branded apparel can be used to support your marketing strategy and reinforce your brand messages. Promotional items are a great complement to a display at trade shows, local events or appreciation events.

You may use a local supplier you know or contact one of these vendors that frequently provide customized merchandise to ERIE Agents.

Wherever you acquire them, all ERIE-branded items must be reviewed through the [Ad Approval process](#) for MarketShare reimbursement.
